**in the jar: 100g brown sugar, 1tsp ground ginger, ½tsp cinnamon, ½ tsp allspice, 225g plain flour, ½tsp baking powder, ½tsp bicarbonate of soda.**

Felixstowe Sewing School presents this easy little Christmas gift project. It makes an excellent present as the felt gingerbread man can be a decoration that gets used every year and there's fun to be had making the gingerbread too!

Create a label with the luggage tag and pen. Write out these instructions on the recipe label: Mix 150g melted butter with 1tbsp golden syrup and one egg yolk. Add to the dry ingredients, mix well, knead to a dough. Chill for 15 mins then roll out. Cut into biscuits and bake at 200C for 8-10 mins. Cool on a wire rack. You can decorate the label with stamps or personalise for the lucky recipient!

Fill the jar. Mix the baking powder and bicarbonate of soda with the flour. Pack it into the bottom of the jar. Add the spices to the sugar and pack this into the jar. Seal the top.

3

Make a gingerbread man pattern. Trace around the gingerbread cutter using the pencil to create a paper pattern of the shape. Use this to cut two gingerbread shapes out of the felt. Using one of the gingerbread shapes, sew buttons onto the front and in position for the eyes. Use backstitch to add a smile and decorations.

4

Pin the two gingerbread shapes together and using either an overstitch or blanket stitch sew around the edge **BUT** remember to leave a 2cm gap to stuff the shape. Finish stitching the edges together. Stick the magnetic strip onto the back.

5

Tie the ribbon around the jar and attach the luggage label and spoon. The gingerbread man can lie down on the top.
